***Allowable Subject Matter***

Claims 9-19 are allowed.

The following is an examiner's statement of reasons for allowance: while some art (e.g. Kawazoe et al. US 6,563,687 and Yamada et al. US 6,663,015) shows the claimed invention, this art has a filing date after that of the applicants, consequently the applicable prior art fails to show or fairly suggest a longitudinal piezoelectric stack which is has an octagonal shape or a shape with a larger number of sides than an octagon, which is accommodated in a cylindrical accommodation space and which is for an injector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Direct inquiry to Examiner Dougherty at (571) 272-2022.
